

WinterViews at RendezViews

A Unique Eco-Friendly Cottage Retreat + Winter Wonderland in the Heart of
Downtown Toronto

Private Events + Large Group Reservations

“The city’s “most epic outdoor patio ever” is opening up as a winter extravaganza. The Fifth Group – which runs RendezViews – is transforming the space into a winter cottage wonderland”
blogTO

About WinterViews

Winterviews presented by RendezViews is part cottage retreat part Winter Wonderland.

Ever dream of hosting an event at a northern setting with skating on a lake? We have something for you. WinterViews is an eco-friendly winter lifestyle park built right here in the heart of downtown Toronto.

“This is a winter experience you don’t want to miss out on”

Curiosity Toronto

“Best time ever, right here in downtown Toronto. One of the coolest venues in the city.”

Virgin Radio

Eco-Friendly Features:

- **10 Wooden Dining Cabins** built with recyclable and reusable wooden blocks by our friends at GripBlock
- **The largest synthetic Glice® Eco™ Rink in Toronto this season** which conserves up to 15,000 gallons of water compared to traditional ice rinks

Award-Winning Venue:

The venue has won various prestigious awards including:

- **International Award for Outdoor Mural Excellence and Innovation**, Street Arts City(Sweden)
- **Best Placemaking of Global Cities**, The Place Economy (Australia)
- **Award of Excellence, Large Spaces**, Toronto Urban Design Awards (City of Toronto)

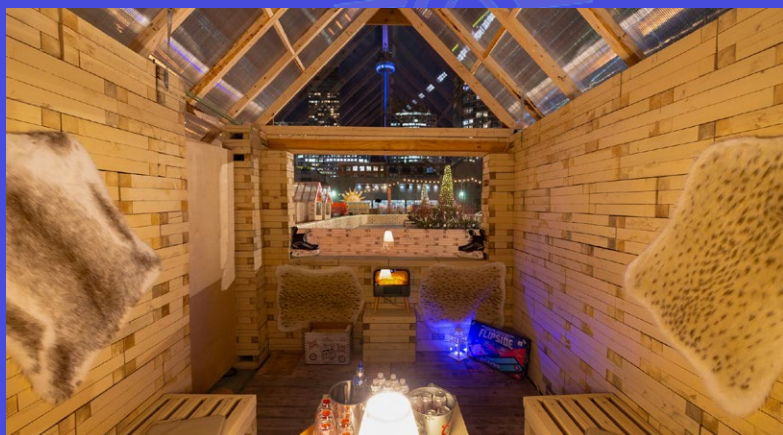

Cabins from the North

Revel in great food + drink in front of a warm fireplace while making s'mores at an outdoor fire pit

Cabin Features:

- spacious 10' x 10' interior with wood bench and table
- each cabin comfortably fits up to 10 guests
- interior fireplace and heater
- bluetooth speaker and choice of games
- exterior wraparound bench with outdoor fire pit
- built with reusable and recyclable wood blocks

"It's a one of a kind experience! It's cozy cute." ChumFM

"One of the cities most iconic patios is opening up as a winter extravaganza," Global News

"Even in the winter weather, Toronto residents won't miss out on outdoor fun. WinterViews is one of the cool (pun intended) attractions..." View the Vibe

Synthetic Skating Rink

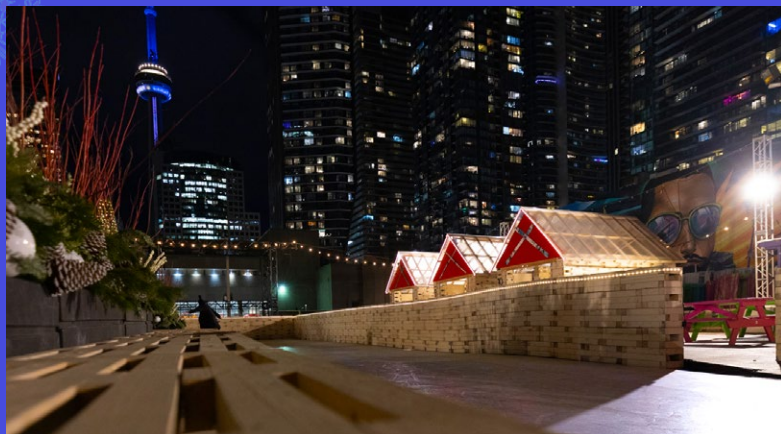

Soak in the CN Tower views while gliding across our eco-friendly synthetic rink under the stars.

Skating Rink Features:

- 32' x 10' synthetic Glice[®] Eco[™] Rink
- two seating areas at center of rink
- complimentary skate rental on site (first come first served)
- outdoor patio tables

Additional WinterViews Features:

- lodge with outdoor heaters (option to use as service bar or walk-up bar)
- Sonos sound system
- covered hostess stand
- multiple branded signage opportunities at Richmond St. entrance and around screen structure
- options to expand event flow indoors with Selva, The Fifth Social Club and Bibliothèque

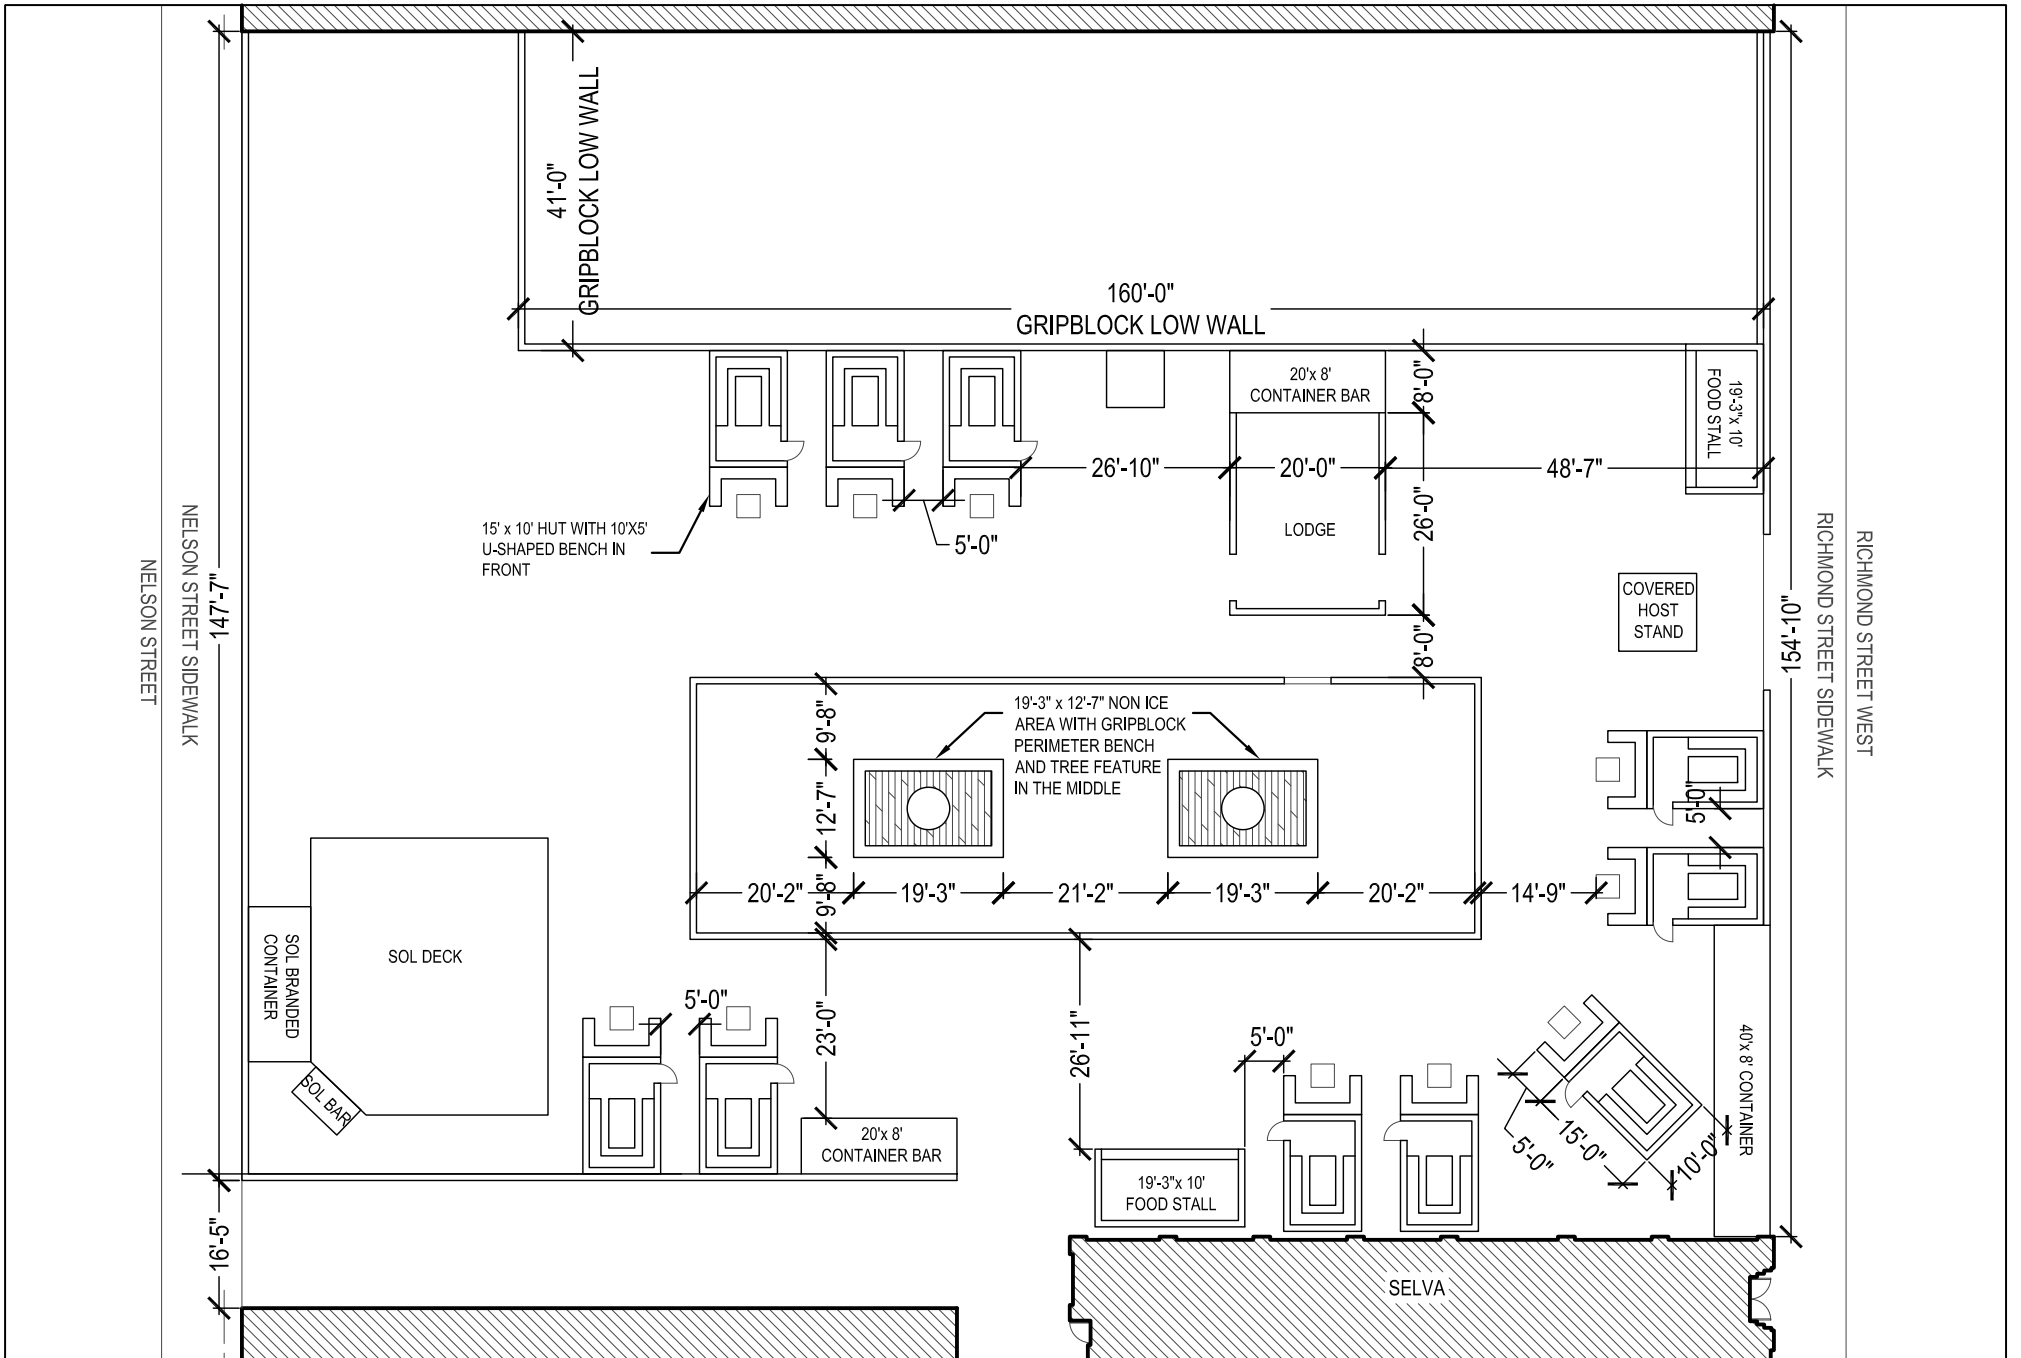

Catering by Award-Winning Chef:

For groups over 16 guests, enjoy exclusive catering created by chef of two Michelin-recommended restaurants in Toronto – Chef Nuit Regular.

Large Group Dining Packages:

For groups of 10 to 16 guests, enjoy WinterViews curated dining packages with a choice of BBQ, Sliders, DIY Tacos or Charcuterie platters.
